Standard Tuning - 12 String

I wish I had a tiny island

floating in the sea palm trees sway don't

get in the way It's a tropical ease

and everywhere that I keep my silence no sound returns

to me just endless waves at the end of our days

the sighing of the seas but yesterday's gone

VERSE 2

The very last time that you saw me off  
 I thought it was understood  
 That I'd be gone for a very long time  
 I might be gone for good  
 And all that time, all the time  
 I thought you would never fall  
 It did not dawn across my mind  
 The time that you lost it all

REFRAIN

But yesterday's gone  
 I don't know where I come from, mmm mmm  
 Don't know where I'm going
